

I do not want K-Love to be replaced by an LPFM broadcaster, as K-Love is the only contemporary Christian radio station in our area. Due to the vulgarity on the other stations, it is the only station I feel is acceptable to listen to. And although I am a Christian, I believe non-Christians with children benefit from this uplifting station, because you never have to worry about the content. It is family friendly and that's important when all the other stations feel it is necessary to shock their audience and outdo the audience with disgusting lyrics and disgusting talk by the DJ's. Thank you.
